

16th April 2021

## REMINDER

Monday 19th April & Tuesday 20th April Online Parent Consultations

Monday 19th April, Wednesday 21st April & Friday 23rd April Y3 & Y4 Live & Get Active Sessions - Y3 & Y4 Pupils will need to come to school wearing their PE Kits on these days in addition to their normal PE days.

## Eggcellent Job Fraser !

Fraser Poole, Class 4, was the winner of the colouring competition ran by Café Sapore, He won some yummy prizes for himself and his family.

Well done Fraser !

Thankyou for all the donations made to our Red Nose Day. Our grand total raised is an amazing **£484.10**

We had lots of fun and if you want a giggle check out our Comedy Club favourites on our Facebook page .

**FRIDAY 19 MARCH**

## Online Parent Consultations

Thankyou to everyone who has booked their appointments already. We understand there may be some problems when trying to access the site using some Samsung/Android phones as the system needs to use Chrome. This can be easily downloaded or you may prefer to use a different device

**Let's all give racism the red card!**  
By Emily Murphy, Head Girl

On Monday morning, KS2 took part in an assembly about combating racism. We discovered so much about the way some people experience racism in society.

## Hop, Skip and a Jump

Reception enjoying using our new playground markings to jump, hop, sprint, tightrope walk and put their hands down. Thank you Mr Laverick !

PIC•COLLAGE

After participating in the assembly, we were inspired to create artwork and creative writing to promote the anti racism message. Let's all give racism the red card!

**Be In SCHOOL  
Be On TIME**

Please could we remind parents/carers about the importance of punctuality. We have a number of families each day arriving late. Sometimes this is just a few minutes after 9am.

Children miss the most important part of the first lesson. Late arrival also puts added pressure on our office staff who are already very busy taking calls at this time of day to receive important messages and absence reports. Thank you for your support.

16th April 2021

By Emily Murphy, Head Girl

From Wednesday, Ramadan officially began for Muslims all around the school. It was due to begin on Tuesday, but as there was no full moon, the fast was delayed (Ramadan relies on the lunar calendar and the cycle of the moon). Some people taking part in the fast this year described it as being 'exhausting but satisfying, especially when Eid comes'. Eid will be celebrated in May.

## Enchanted Woodland

Year 2 made Fairy crowns and explored deciduous and evergreen trees this week as part of our new topic!

## Road Trip USA

Year 3 & 4 had a brilliant time this week with their new topic. They flew with Hartburn Airways to different States in America. They made leis, learnt a Hawaiian dance, drew the New York skyline and made dream-catchers.

## Mini Beast Hunters

Nursery children began their hunt for minibeasts this week. Guess what they found in the school pond?
