REMINDER

- Thursday 27th May Y3 & Y4 Superbowl Party
- EY Mini Beast Garden Party
- Friday 28th May Y1 & Y2 Woodland Party
- Friday 28th May School breaks up for Half term
- Monday 7th June School returns after Half term.

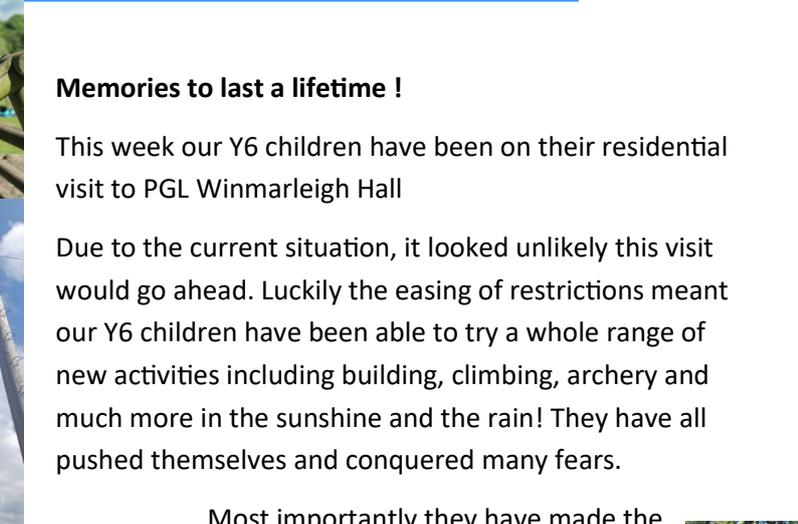

Memories to last a lifetime !

This week our Y6 children have been on their residential visit to PGL Winmarleigh Hall

Due to the current situation, it looked unlikely this visit would go ahead. Luckily the easing of restrictions meant our Y6 children have been able to try a whole range of new activities including building, climbing, archery and much more in the sunshine and the rain! They have all pushed themselves and conquered many fears.

Most importantly they have made the most amazing memories with all their friends and teachers in what is their final year at Hartburn Primary.

We are very proud of them all!

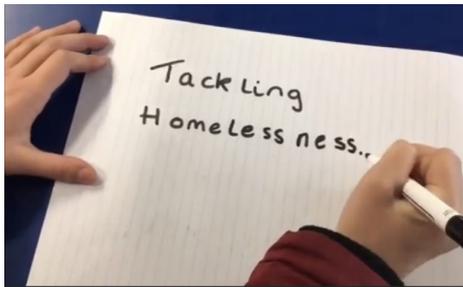

21st May 2021

Bright Minds, Big Futures

Year 5 and 6 took part in a competition ran by BMBF and Stockton Council. The competition was called 'Campaign for Change' and the children were challenged with creating a short video to discuss an issue they would like to change in their local area. All the children did a fantastic job, and one group won the competition with their video! They received a certificate and a voucher to spend on a treat for their class.

Well done!

Native American Myth

By Mia Wilkinson, Class 11

Long ago, in a forgotten land, before memory began, imposing, steep, snowy mountains surrounded a dense land. Where the wind whistles and the hard, rough boulders cracked and crumbled like the sound of thunder and lightning, which saw no sunlight. Living in this snowy wilderness, were two friends, Arctic Fox and Flaming Fire. One day, Fox was particularly hungry, so he strode off, leaving behind a trail of white, soft, snowy paw prints. He left Fire all alone.

"I miss you already Fox!" yelled Fire. Little did Fire know that he was in trouble. A long time after, Fire started to feel cold, but why? He was Fire, he never felt cold. Then, he saw that his flames were dying fast, so he shouted at the top of his voice, "Help!" Fire thought that Fox had ditched him. He was not a good friend. Then suddenly, a man was hunting and saw Fire.

"Can I help you Fire?" The Man had wood in his hand. "Yes, put that wood on me." Indeed, the man did what Fire said. Fire's flames were bright again.

Just as Fire was about to leave, Fox rushed back. "This is the most fat fish I ever saw." Fox saw Fire leaving, "Hey. Who is this? Is he a lost friend?" "You abandoned me!" cried Fire aggressively. "I almost perished. I will never want to see your ugly face again!"

Forever more, Fire belongs to Man and Fox will always be alone.

COVID-19
Let's take this next step, safely.

Lets Count—Runner Up!

Last term, we took part in the Let's Count Census Day and entered the national competition with our display. Today they announced that our school were runners up in the North East for our work. Well done Everyone !

A very kind delivery !

This week we received a special delivery from Kalma Life, a local yoga and mindfulness provider. Their yoga and mental health professionals have created an interactive pack for children and Mr Cowley, a parent of the school has kindly sponsored the project to ensure every child from Y1-Y6 receives one! Here is Mrs Adams receiving them on behalf of the school.

Right of the Week

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a **clean environment** and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.
