Y1 & Y2 Enchanted Woodland Day

On Friday 28th May Y1 & Y2 celebrated the end of their topic with an Enchanted Woodland party day. Staff and children came to school dressed as their favourite woodland animals. They all looked fantastic!

The children took part in lots of different activities including outdoor activities with Sc.out.ed where they toasted marshmallows around a fire pit and they finished the day with a tea party in the woods.

In the words of Class 6 "the best day ever" !

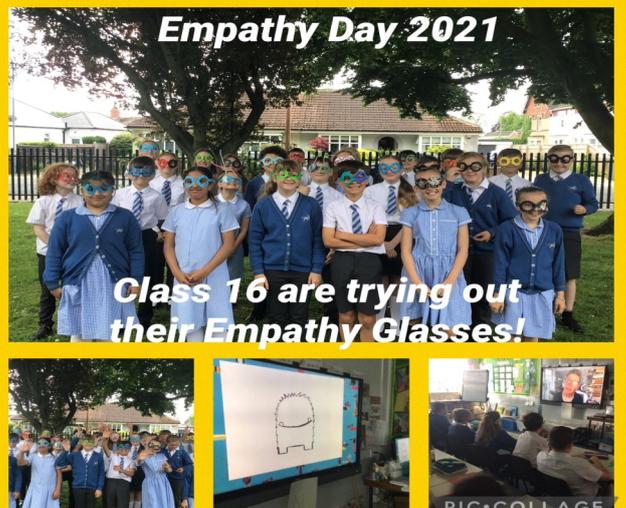

Meet the two newest members of Hartburn Primary school - Monty and Stan!

It was their first day at school on Tuesday, so they are still a bit nervous. Class 13 are enjoying taking care of them and they have made a lot of new friends. They enjoy eating strawberries, carrots, tomatoes, celery and dandelion leaves.

Empathy Day 2021

Class 16 are trying out their Empathy Glasses!

You must inform school if you are travelling to another country. A checklist must be completed before your child can return to school after a holiday abroad. Whilst it is not a government requirement for those that return from countries on the green list to isolate, it is a requirement that within 48 hours of return to the UK a PCR test is completed and posted. For further info go to: <https://www.gov.uk/guidance/red-amber-and-green-list-rules-for-entering-england>

Very Hungry Caterpillars

Nursery children were so excited this week as they enjoyed healthy snacks in the dining room.

This is their first visit this year. They were so sensible and polite. Some of them were just like 'The Very Hungry Caterpillar'!

A Lesson from the Law

Class 16, 17 and 18 had an informative session this morning about Anti-Social Behaviour.

Thank you to our local PCSOs and Cleveland Police.

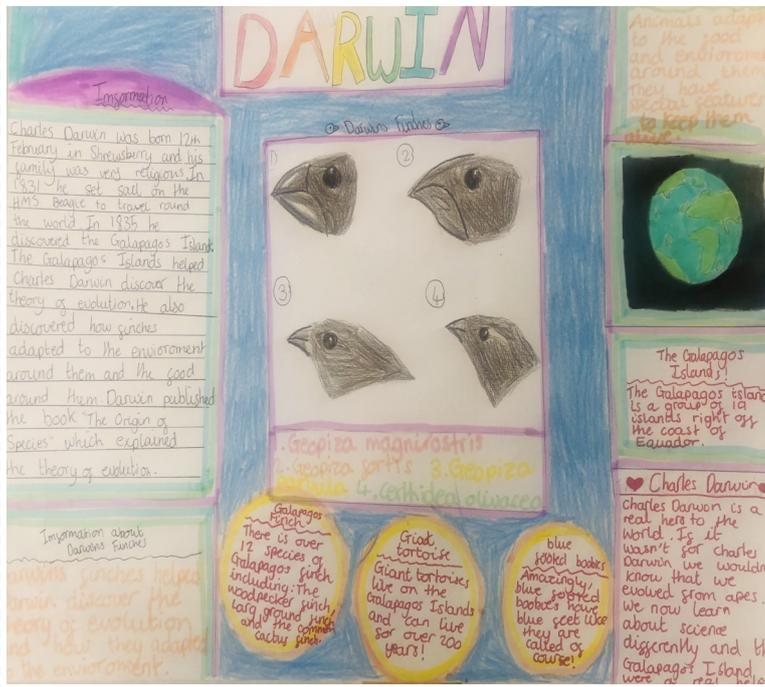

Y3 & Y4 had a 'whale' of a time on their engage day for their new topic 'Blue Abyss'. They enjoyed exploring under the sea in a Science Dome and created beautiful pieces of art.
