Friday 22nd October	School breaks up for Half Term
Monday 1st November	School returns after Half Term
Thursday 16th December	School breaks up for Christmas

Coming soon...

# Wellbeing

### SEN Coffee Morning

It was wonderful to welcome parents and carers to our first Hartburn SEN coffee morning this week. This was a great informal opportunity to ask questions and chat with staff and other parents.

Our SENCO, Mrs Goodwin, really enjoyed hosting and hopes this is the first of many. Thank you to those parents/carers who could join us. We were so pleased with the response and hope many more can join us next time.

### Rugby Stars

Y5 & Y6 pupils proudly represented Hartburn in a Tag Rugby tournament and skills festival on Wednesday.

They showed great sportsmanship and acquired lots of new rugby skills.

Our boys team won Bronze medal and our Girls team won Silver and the girls have qualified for the finals in two weeks!

Well done Team Hartburn!

Due to isolation periods, many children missed out on their treat from The Friends of Hartburn Primary School last term. So, the ice cream van has returned today for everyone!

## Hartburn Harvest

### Foodbank collection

This Harvest Festival we will be collecting tinned and packaged food for the local community.

Any donations would be greatly appreciated between 11<sup>th</sup>-20<sup>th</sup> October and there will be a container on the playground to drop off.

Thank you for your support.

Class 3 making and trying soup. They came up with lots of different adjectives to describe it. We had mixed reviews 👍👎

### Article 1 - Definition of a Child

Everyone under the age of 18 has all the rights under the convention

A child is any person under the age of 18.

### State Matters by

Nate Bailey & Megan Davie Class 11

THE GLOBAL GOALS  
For Sustainable Development

At Hartburn, we recognise and value the importance of Global Goals, both in our school and our wider community and world. This year, children will familiarise themselves with the Global Goals through cross-curricular lessons and outdoor learning opportunities. The Global Goals are the World's To Do List and this year's campaign is all about sticky notes. In November, one of the most significant conferences on climate change (known as COP26) will be taking place in Glasgow. It is essential that we educate the youth of our world on ways to tackle these global issues and make their voices heard. Take a look at the video link below to learn more.
