The children all looked fantastic today in their yellow, spots and Pudsey items. Sara and the kitchen provided some amazing desserts at lunch to celebrate.

The total amount raised will be confirmed ASAP.

Thankyou for your continued support.

Hartburn Hopes

Education for character is already integral to the work we do at Hartburn. Our school has an important role in the fostering of good mental wellbeing among young people so that they can fulfil their potential at school and are well prepared for adult life. Hartburn has clear expectations on behaviour and well-planned provision for character and personal development that helps to promote good mental wellbeing. We value your feedback to help shape provision in our school. Thank you for your time in completing the family survey and for your contributions. We have narrowed this down to a list of the most frequently suggested virtues which will be proudly displayed in our hall and promoted throughout school. These are:

- Honesty
- Resilience
- Respect
- Ambition
- Compassion
- Courage

REMEMBRANCE DAY

The School Council did a fantastic job last Friday representing our school by attending The Garden of Remembrance for a very special memorial service. We shall not forget.

Mayor Visit

Stockton Mayor, Kevin Faulks, visited Hartburn Primary School this week. Our Head Boy and Girl welcomed the Mayor and introduced him in assembly. The children asked lots of insightful questions and learned about his duties in our borough.

Article 6 – Life Survival & Development

Every child has the right to be alive. Governments must make sure that children survive and develop in the best possible way.

Odd Sock Day

On Monday we asked the children to wear odd socks to raise awareness of Anti Bullying week.

These are Class 1's colourful feet.

Alien Crash

Image taken from Hartburn School's CCTV

On Saturday our school bus crashed in the mud. Mr Chipchase said his dog found the driver's body wreckage when he was checking if school was OK. Year 2 asked Mrs Park lots of questions. Mrs Park was shocked to see the CCTV footage of the alien crash. She also said that things were missing from her office and there were weird muddy footprints on the floor.

Digital Leaders

A huge thank you to Yarm School for hosting our Digital Leaders last night. We had a fantastic time in the auditorium exploring the technology used to create a show from the sound system to programming the lighting.
