## New Leadership Roles for our Pupils

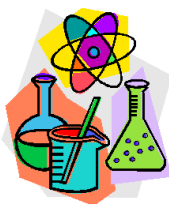

Our new Sports Leaders attended a workshop at Durham University, Queens Campus this week to help improve their skills.

*Congratulations to our newly appointed sports leaders who attended their workshop this week*

**PIC•COLLAGE**

Here are Hartburn's newly appointed Science Ambassadors.

They are going to have an extremely busy year helping Miss Danby run the Science club and organise science events for the school to take part in.

## AGM

Annual General Meeting

2pm on Thursday 12th October at school.

If you are interested in volunteering or finding out more please come along

### Parking

Residents, staff and families have brought to my attention that some parents/carers are parking without regard for local residents and the law, particularly near the Greens Lane end of school. Can I please remind you of the following:

- Parking on footpaths is both illegal and dangerous.
- It is forbidden to park on white or yellow zig zags.
- Parking on and blocking residents' driveways is an example of a lack of consideration for local residents.
- Hartburn Mews is private property and private allocated parking should not be utilised by parents/carers.

Parking in the staff car park is not allowed unless you have contacted the school office to prove that you have a blue disability badge/special circumstances have been authorised.

I would like to respectfully ask that if you live too far from the school to walk, please park a little further away from the school gates and walk the rest of the way into school. If possible, please utilise a local carpark and walk a short way into school such as Harpers Parade or West End Bowls Club. Alternatively, the stretch of Greens Lane between Green's Beck Road and Dunedin Avenue could be used.

We thank you for your understanding and cooperation on this matter.

### Well done Elsie & Oscar !

Congratulations to Elsie Walton and Oscar Croasdale Y6 who have both been cast in Nativity the Musical which will run at Billingham Theatre this Christmas.

### E-Safety

As you are aware, we aim to reduce the number of online incidents outside of school which negatively impact on children's emotional wellbeing, progress, punctuality and attendance in school.

A huge thank you to the parents/carers who attended a fantastic E-Safety event in school on Monday 18<sup>th</sup> October. We were positively overwhelmed with the support; 50 parents attended!

The feedback was great and we intend to offer further sessions with a parent/carer and child workshop element.

If you have any further requests, please let us know.
