**Y1 Visit to Preston Park**

As part of their 'Childhood' topic, the Year 1 children had a fantastic time visiting Preston Park. They learnt about and played with old toys and made their own toy from the past. They also enjoyed looking around the museum and street.

**Science Club**

Year 3 scientists had a fantastic time at Science club this week. Hartburn Science Ambassadors helped them to explore mixing oil and water by making 'rainbow rain'. The next investigation was also a colourful one. Take a look at the beautiful patterns they made.
